Certified
Support Specialist
Designation
CSSsm

National Association of Residential Property Managers

The Benefits of NARPM Certification

NARPM is the residential management industry's key source for education and professional networking. The sharing of knowledge and experience is one of our greatest attractions to property managers and property management staffs across the country.

- Designations build confidence and show credibility.
- Training is industry-specific.
- Class materials are provided by leading experts in the Residential Real Estate profession.
- Lower company liability by focusing on the NARPM Code of Ethics.
- Save company dollars by enrolling in online courses.
- Designations are a great way to recognize staff accomplishments.

CSSsm - The Designation for Support Staff Members

The Certified Support Specialist (CSSsm) designation is the first NARPM program created especially for Support Staff members.

REALIZE YOUR DREAMS

A designation demonstrates that you are dedicated to your career and are an experienced professional.

Becoming more involved with NARPM gives you the opportunity to build relationships with people who do what you do and understand the same challenges you face. In networking with others, a goldmine of shared knowledge and experience will set you apart from others in your profession.

Be recognized as a leader among your peers and increase job security and earnings potential.

EASY AND FUN

Earning a CSSsm designation requires commitment, but the candidacy process is simple.

Candidacy is self-managed and uses an easy checklist format. Assistance is available from any NARPM designee or from the national NARPM Certification Committee.

Completing the requirements is a fun way to get involved and form lasting friendships with others in your line of work.

Attendance at a NARPM national event is no longer a challenge when it comes to experiencing the benefits of NARPM!

The CSSsm program brings resources to you! Courses are presented online to work with your schedule.

VALUABLE LEARNING...FOR TODAY & THE FUTURE

The skills and knowledge learned through the CSSsm courses have great value to you and your supervisors.

What you learn as you earn the Certified Support Specialist designation can be used in your present position and in whatever career track that you pursue in the future.
