Registered Sex Offenders Notice (for states other than California): The state Department of Justice, sheriff's departments, police departments serving jurisdictions of 200,000 or more, and many other local law enforcement authorities maintain for public access a database of the locations of persons required to register pursuant to "Megan's Law" or a similar statute. The database is updated on a regular basis and is a source of information about the presence of these individuals in any neighborhood. Contact the state Department of Justice to determine whether it also maintains a Sex Offender Identification Line through which inquiries about individuals may be made.
